

ASGA Sustainability Committee

The Sustainability Committee (Committee) is a committee of the Australian Sporting Goods Association (ASGA). This charter sets out the responsibilities delegated by the Board to the Committee and the Committee's objectives, authority, responsibilities, composition and operation.

Objectives

The Committee's role is to provide advice and assistance to the Australian Sporting Goods Industry in achieving the Australian Sporting Goods Association goal in promoting a sustainable Industry. The sustainability committee will encompass the following areas workplace safety, community, supply chain, social responsibility, and minimising the industry impact on the environment.

ASGA Sustainability Committee aims to:

- Encourage experts from across the sporting goods industry, government, and like-minded stakeholders to come together and discuss sustainability regulations, issues and actions.
- Consider the sporting goods industry, impact to the community and environment through its activities.
- Promote the sporting Goods industry as a leader in sustainability.
- Create effective sustainability industry initiatives which can be deployed in the community,
- Facilitate sustainability actions through Association to provide input into government policy and regulation.
- Provide a forum for essential industry and government stakeholders to network and share insight.

Authority

The Committee is authorised to perform activities within the scope of the responsibilities set out in this charter and to make appropriate recommendations to the ASGA Board.

Composition

The Committee will comprise a minimum of four ASGA members and two advisory members.

The composition of the Committee will be reviewed annually by the ASGA Board and the Committee to ensure an appropriate balance of expertise, skills and experience.

Meetings

The Committee will meet four times a year and at such additional times as the Committee Chairperson or any member of the Committee may request. A quorum for a Committee meeting will be a majority of Committee members. Meetings shall be held off-cycle from ASGA board meetings to ensure report requirements are aligned.
